

HUNTINGDALE GOLF CLUB Rotary Charity Golf Day – Deferral to 25th May 2026

Dear past participants

Thank you for your support of our Charity Golf Day at Huntingdale over many years.

Last year our event raised almost \$21,000, which when added to our Sunday Market income enabled us to provide more than \$100,000 to support local community organisations & projects and Rotary International activities.

As foreshadowed last year, the Huntingdale course is going through a major restructuring, operating as a nine-hole course in 2024, closed in 2025 & a completely new International standard course in 2026.

Huntingdale Golf Club continue to support our Charity Day & offered us a 2024 event playing the nine holes twice with different tees – still fantastic golf.

However, after detailed consideration RotaryOCH has decided that notwithstanding the generous Golf Club offer, for logistical reasons, we cannot organise an event based on nine holes which us up to our and Huntingdale event standard.

We have therefore decided to defer our next event to 25th May 2026 (Tentative Date).

We hope you will be keen to continue your involvement with our event by participating in 2026. We will give you updates and an invitation to participate early in 2026.

In the interim you can follow us at Rotary Club of Oakleigh Clayton Huntingdale (rotaryoch.org.au) or email us at our golf email huntingdale.rotary@iinet.net.au

Good Golfing

Rotary Club of Oakleigh Clayton Huntingdale Inc

Former 18th and Practice Fairway, to be 18th and 12th

Former 14th Hole, to be 17th
