

Dear Rotarians

Nationwide STEM outreach program

The Rotary Club of Doncaster and Monash University first initiated the program in 1990. Since then, Rotary clubs throughout Australia have played a major role in the development of the program.

Rotary clubs

- 1 sponsor many students to attend,
- 2 attend and promote the program to local high schools,
- 3 participate in programs and provide social activities such as BBQs

Application process

- 1 Receive the application from the schools/student/parent
- 2 Complete the Rotary section of the application
- 3 Submit the application by post or email:

PO Box 158, Monbulk, Vic 3793 or
admin@scienceexperience.com.au
- 4 Advise the student and parents that sponsorship has been given and the application has been submitted
- 5 Rotary club will be notified by email once the application has been received and registered
- 6 Students are also notified by email when registration is completed
- 7 Rotary club needs to check with the student to make sure they know they are enrolled
