

Model United Nations Assembly

The Model United Nations Assembly (MUNA) is about developing public speaking skills, learning other countries perspectives, and having fun!

In teams of two you will select a country, research that country's points of view, and debate with teams representing other countries from other schools.

Open to students in years 10, 11, or 12, you will debate four resolutions at a forum just like the real United Nations.

The event will be on Saturday 19 August at Nossal High School in the theatre – teachers, family and friends are encouraged to come and watch!

Rotary will financially sponsor you to attend, so it's free to participate!
